

# PROSHIELD

## Protecting Blend

Ingredients: Clove oil, Cinnamon oil, Lemongrass oil, Orange oil, Lemon oil, Rosemary oil, Eucalyptus Radiata oil

Aromatic 

Dilute 

Topical 

Internal 

**The oils in ProShield have been used for centuries to cleanse. This is a unique blend that supports a healthy immune system and is a viable alternative to many synthetic household cleaners.**

### BENEFITS

With Améo Essential Oils like Clove, Cinnamon, Lemongrass, Orange, Lemon, Rosemary, and Eucalyptus Radiata, ProShield has a sizeable amount of cleansing properties. It also assists in protecting cells from damaging free radicals and promotes normal respiratory function.

### SUGGESTED USES

- Diffuse ProShield for up to 30 minutes in an Améo diffuser to cleanse the air
- Add 20 drops of ProShield to an 8 oz Améo mister bottle, fill the remainder with distilled water, and use to clean any surface—especially bathrooms or kitchens
- Add a few drops of ProShield to your mop water to better clean floors
- Swish a few drops of ProShield and water in your mouth for a natural mouth rinse to aid in oral health
- Add 3 drops of ProShield to your dishwasher or water before washing to help clean dishes
- Add 5-10 drops of ProShield to the wash cycle when doing laundry to combat odors; don't worry about your clothes smelling like ProShield, as the oils flash off in the dryer
- Add 3-4 drops of ProShield to Améo Fractionated Coconut Oil and use as an all-natural hand soap
- Dampen a cotton ball with 3-4 drops of ProShield and place anywhere to eliminate unpleasant odors
- Rub ProShield onto the soles of the feet—including children's feet—before bed to promote normal immune system function
- Apply a small amount of ProShield directly to surfaces to remove sticky and stubborn messes
